

In an emergency dial 999 ask for Devon and Cornwall Police and then request the Cornwall Search and Rescue Team.

Always give:

- **The nature of the emergency**
- **Your location**
- **Number and conditions of any casualties**
- **Keep your phone switched on and stay where you know you have signal – the Team may want to speak to you directly.**

In an emergency:

- **Personal safety first!**
- **Provide any first aid**
- **Get help**
- **Keep warm**
- **Stay visible!**
